

SPECIFICATIONS / INSTRUCTIONS

The 730140 Steeplechase Barrier Set comes with four height adjustable barriers, one 5 m. wide and three 3.96 m. wide. Each barrier adjusts to three heights; 30, 33, and 36 inches. Two 3/4 in. diameter steel pins and four 1/2 in. clamping knobs securely lock each barrier in each position. The beams are 4 in. square, 11 gauge steel tube, covered on three sides with 1/2 in. thick Vultrak track surface. The leg assemblies and sleeves are fabricated from 2 1/2" and 3 1/2" Sch 40 steel pipe with spring assist. The legs are painted with powder coat paint for a durable finish. NCAA and IAAF compliant. IAAF certified.
